SEPTEMBER 2007 EVENTS

Tell Our Troops

We support our Troops 24-7 and from September 14 to September 23 we are encouraging, more than ever, that we need to tell our Troops we care.

One of the best ways is electronically via

www.americasupportsyoud.mil

www.usafns.com/email.shtml

Tell them you care and show how much the local communities care.

Please note the specific city or municipality you live in and Leukemia 24-7

LEUKEMIA 24-7

Troops can search for communication from their local folks.

It's great to see our support!
