

LEUKEMIA 24-7

SEPTEMBER 2007 EVENTS

Discussions with Doctors Nurses & Organizations

During some events, such as the Pancake Breakfast & Silent Auction, subject matter professionals will give short talks on Leukemia and be able to field many of your questions. We have found education about Leukemia is sometimes limited to those directly involved and that friends and family can be afraid to ask too many questions. These types of presentations give you an opportunity to learn more without feeling like you may be intruding.

If you have an experience to share please contact us.
